Kentucky woman
She shines with her own kind of light
She looks at you once
And a day that's all wrong looks all right
And I love her
God knows I love her

Kentucky woman
If she get to know you
She goin to own you
Kentucky woman

Well, she aint the kind
Make heads turn at the drop of her name
But something inside
That she's got turns you on just the same
And I love her
God knows I love her

Kentucky woman
If she get to know you
She goin to own you
Kentucky woman

I don't want much
The good lords earth beneath the feet
A gentle touch
Of that one girl and life is
Sweet and good
There aint no doubt
Hey, Im talking about
Kentucky woman

Kentucky woman

I don't want much
The good lords earth beneath the feet
A gentle touch
Of that one girl and life is
Sweet and good

There aint no doubt
Hey, Im talking about

Kentucky woman
If she get to know you
She goin to own you
Kentucky woman

Kentucky woman
Kentucky woman
Kentucky woman
