(sung with rosemary butler) written by: sandy knox and steve rosen

Love never doubts or suffers or cries
Love shows no fear, love tells no lies
And love will never leave me in the dark
No, love never breaks my heart
Like you do, like you do

Love doesn't have unapproachable walls
Or a heart that beckons and then withdraws
And love would never steal my dignity
Love has never made a fool of me
Like you do, like you do

Oh, and I have known times
When love seems unsure
But when love is unkind
It is not love anymore

Love never threatens or frightens me
It's not held together with apologies
Love never screams my name
No, and love never turns away
Like you do, like you do

And I have known times
When love seems unsure
But when love maybe unkind
Love never turns away
Like you do, like you do

Like you do, like you do
