Love on the rocks
Aint no surprise
Just Pour me a drink
And I'll tell you some lies
Got nothing to lose
So you just sing the blues all the time

Gave you my heart
Gave you my soul
You left me alone here
With nothing to hold
Yesterday's gone
Now all I want is a smile

First, they say they want you
They haven't really need you
Suddenly you find you're out there
Walking in the storm
And When they know they have you
Then they really have you
Nothing you can do or say
You've got to leave, just get away
We all know the song

You need what you need
You can say what you want
Not much you can do
When the feeling is gone
Maybe blue skies above
But it's cool when your love's on the rocks

First, they say they want you
They haven't really need you
Suddenly you find you're out there
Walking in the storm
And When they know they have you
Then they really have you
Nothing you can do or say
Youve got to leave, just get away
We all know the song

Love on the rocks

Aint no big surprise
Jsut Pour me a drink
And I'll tell you more lies
Yesterday's gone
And now all I want is a smile
