When the rain
Is blowing in your face
And the whole world
Is on your case
I could offer you
A warm embrace
To make you feel my love

When the evening shadows
And the stars appear
And there is no one there
To dry your tears
I could hold you
For a million years
To make you feel my love

I know you haven't made
Your mind up yet
But I would never
Do you wrong
I've known it from
The moment that we met
No doubt in my mind
Where you belong

I'd go hungry,
I'd go black and blue
I'd go crawling down
The avenue
There's nothing
That I wouldn't do
To make you feel my love

The storms are raging
On the rollin' sea
And on the highway of regret
The winds of change
Are blowing wild and free
You ain't seen nothing
Like me yet

I could make you happy,

Make your dreams come true
Nothing that I wouldn't do
Go to the ends of the earth
For you
To make you feel my love
