I'm a man of God  
Though I never learned to pray  
Walked the pathways of a heart  
Found them there along the way

And I am, yes I am I'm a man of faith  
And faith is somethin' you can't see  
But if we want to make it through  
Faith is how it's gotta be

I'm thanking you, Lord, for givin' me song  
For makin' me strong and for takin' my hand  
I'll go up to Heaven when I reach the end  
But up until then gonna do what I can

And I can, yes I can be a man of peace  
Plant it like a tiny seed  
It grows a little when you give  
And gives you back when you're in need

No, I am, yes I am I'm a man of song  
Gonna sing it far and near  
Gonna make a joyful sound  
One that every heart can hear

And singin' for Him is like touchin' the sky  
I don't need to why I just know that it is  
Each time I sing out I want to rejoice  
Cause when I hear my voice I believe that it's His

And I am, yes I am I'm a man of hope  
I haven't stopped believin' yet  
And while we're headin' down that road  
Hope is what we can't forget

And I am, yes I am I'm a man of God  
No, I am, yes I am I'm a man I'm a man of faith  
I'm a man, yes I am I'm a man I'm a man of peace  
And I am, yes I am I'm a man I'm a man of song

I'm a man of God  
Man of God
