(sung with buffy lawson) written by: neil diamond and tom shapiro

Say that you'll marry me
Sometimes carry me
And I will be there forever more
For you

And if you marry me
I will give everything
And I will do anything that you need
We do

You'll know, by the love in my eyes
And the beat of my heart
I'll be there

You'll know, cause you'll never be lonely again
Anytime anywhere
This I promise
If you marry me

Promise you'll stay with me
We'll make some memories
And maybe a dream or two
Will come true, who knows

This I can say for sure
All that I have is yours
You'll never wonder where I stand
It shows

You'll know, by the love in my eyes
And the beat of my heart
I'll be there

You'll know, cause you'll never be lonely again
Anytime anywhere
All I promise you I will be
If you'll only say you'll marry me

I won't ever forget these words

And I'll love you for all I'm worth
If you say you will marry me
Won't you marry me

Marry me
