Written by: neil diamond

Believe me  
I'm someone who believes in you

Say, you really had a million dollars  
And a car for every day of the week  
So what? you know what?  
It wouldn't mean not a single thing  
Without that someone  
Who believes it too  
Yeah, you gotta have someone  
Who believes in you

Say, you really had a hollywood contract  
And your face up on the big billboard  
Big car, big star  
You'd move a lot, but you wouldn't get far  
Without that someone  
Who believes it too  
You better have someone  
Who believes in you

You are the truest part of me  
That quiet place where I can be strong  
You come to fill my deepest needs  
You call my name, and I hear your song

Believe me  
There's someone who believes in you

So, you really got the hots for stardom  
All you need is some big guitar  
To take you, and make you  
Into an overnight star  
And then you'll find that  
Stars get lonesome too  
And you better have someone  
Who believes in you

You are the truest part of me  
That tender place where I can be strong

You come to fill my deepest needs  
You speak my name, and I hear your song

So you really want a job in the circus  
Paint you face and make the people smile  
A clown, come on down  
You've been too long walking that high wire  
When you're falling, you'll be calling to  
Be calling out to someone who believes you  
Someone who's there when nobody needs you  
Calling out to someone who believes in you
