Title: Summerlove

Summerlove

They call it Summerlove

But, oh, how it feels

And I don't believe make-believe

But, I was a lonely boy,

And you were a lonely girl

And we're together tonight!

Summerlove made it right.

Summerlove

They call it Summerlove

But, somehow it's real

'could see by that look in your eyes

That you were a lonely girl,

And I was a lonely boy

And when the evening was done

Summerlove made us one.

And I don't believe make-believe

But, I was a lonely boy,

And you were a lonely girl

And when the evening was done

Summerlove made us one.

I was a lonely boy,

And you were a lonely girl

And we're together tonight!

We're together tonight.

Summerlove

Summerlove made us one.
