My baby's Cryin' on a Saturday night  
She thinks that nothin's ever gonna go right  
But she'll make it  
And we'll make it  
There's not way that  
I'm leavin' the best part of me

There was a time I wanted out on my own  
I even thought that I'd be ok alone  
But oh, baby  
I know, baby  
That I'd be walkin'  
Away from the best part of me

Chorus:  
You are the best part of me  
The best that I am  
Or ever will be  
You baby, your the part  
That allows me  
To open my heart  
And let love inside  
I want you to know  
What I've always  
known  
You are the best  
Part of me

Love isn't easy and  
It's not always kind  
Sometimes you only  
Have to make  
Up your mind  
That you can make it  
and you can make it  
I know I made it  
By keeping the best part of me

My baby's cryin' 'cause she cant run away  
And if she could it wouldn't last for a day  
And she knows it

And I know it  
It just shows that  
She is the best part of me

It's true baby, you're the best part of me  
The best that I am  
Or ever will be  
You baby, you're the part that allows me  
To open my heart  
And let love inside  
I want you to know  
What I've always known  
You're the best part of me  
Yes, you are the best part of me
