There is freedom within, there is freedom without  
Try to catch the deluge in a paper cup  
There's a battle ahead, many battles are lost  
But you'll never see the end of the road  
While you're traveling with me

Hey now, hey now, don't dream it's over  
Hey now, hey now, when the world comes in  
They come, they come to build a wall between us  
We know they won't win

Now I'm towing my car, there's a hole in the roof  
My possessions are causing me suspicion but there's  
no proof  
In the paper today tales of war and of waste  
But you turn right over to the TV page

Hey now, hey now, don't dream it's over  
Hey now, hey now, when the world comes in  
They come, they come to build a wall between us  
We know they won't win

Now I'm walking again to the beat of a drum  
I'm counting the steps to the door of your heart  
Only shadows ahead barely clearing the roof  
Get to know the feeling of liberation and release

Hey now, hey now, don't dream it's over  
Hey now, hey now, when the world comes in  
They come, they come to build a wall between us  
We know they won't win

Hey now

Hey now, hey now, don't dream it's over  
Hey now, hey now, when the world comes in  
They come, they come to build a wall between us  
We know they won't win

See they shine don't come before time  
Don't ever let them win, yeah  
Hey now, hey now
