Also All So Confusing

Who are we?  
Why are we here?  
Where are we going?  
Are we going anywhere at all?  
Who knows the answer?  
Maybe the answer is, "Life is too short to be small."

Life is good, life is bad  
Life is happy, life is sad  
But it's also all so confusing

Life is fast, life is slow  
Life is high, and life is low  
And it's also all so confusing

Some say that "Money can't buy happiness."  
I say, "Where does the money go?"  
Some say that "Life is full of little ups and downs."  
I say, "It only goes to show."

Life is sweet, life is crude  
Life is waste and life is food  
And it's also all so confusing

Live is give, life is take  
Life is real, and life is fake  
And it's also all so confusing  
All so all so all so confusing  
All so all so all so confusing
