Angelina

I don't want to do you no harm
But sometimes I feel the weight of the world
And it's so heavy and it's bringing me down
And I need you Angelina my girl
Come little Angelina
I don't wanna do you no harm
Take me where the grass is greener
Take me where the sea is calm
All I want is you
Take me in your arms and give me love

Oooo shoo shoo baum
oooo shoo shoo baum
oooo shoo shoo baum
oooo shoo shoo baum
All I want is you
Take me in your arms and give me love

Angelina, Angelina
Love me, love me
Angelina, Angelina,
Love me, I want to love you

Come little Angelina
No one but you and me
Take me where the air is cleaner
Take me where the wind blows free
All I want is you
Take me in your arms and give me love

Oooo shoo shoo baum
Oooo shoo shoo baum
Oooo shoo shoo baum
Oooo shoo shoo baum

All I want is you
Take me in your arms and give me love
