Another Day

At times like these
When enemies can number more than friends
A friend indeed is what I need
Not someone who pretends
Nasty is fabl'm on my way
I cannot stay
Another day

You're such a pain
Must I explain my every meaning to you?
It's such a drag the way you nag at me
And make me feel blue
I'm on my way
I cannot stay
Another day

You're so pusillanimous, oh, yeah
Nature's calling, and I must go there

A glass of wine with Gertrude Stein
I know I'll never share
But I don't mind
That's just the kind of cross each man must bear
I'm on my way
I cannot stay
Another day

You're so pusillanimous, oh yeah
Nature's calling, and I must go there

Another day
I know they say that all the world's a stage
I'll play the fool, but as a rule
I'd rather act my age
I'm on my way
I cannot stay
Another day
I'm on my way
I cannot stay

Another day
I'm on my way
I cannot stay
Another day
