Burlesque

When a cabinet minister resigns  
Circumstances must be carefully defined  
She-Neil in IBoRmVirtue versus vices  
Only causes crises  
No scandal with ideals can be combined  
When a cabinet minister resigns  
Should the name of law & order be maligned,  
they're privately distressed!  
The public is impressed!  
When a cabinet minister resigns

The media and press  
Predictably will guess  
What the thoroughly reliable  
Officially deniable  
Sources all suggest

When a cabinet minister resigns  
And once he's made it up he never change his mind  
To perform a noble deed  
Is what the nation needs  
When a cabinet minister resigns

When a cabinet minister resigns  
He leaves responsibilities behind  
Along with problems still unsolved  
Remember morals are involved!  
WHEN a cabiNET minister RE-signs!

When a cabinet minister resigns  
He leaves responsibilities behind  
Along with problems still unsolved  
Remember morals are involved!  
When a cabinet minister resigns  
Oh when a cabinet minister resigns  
OH WHEN A CABINET MINISTER RESIGNS!
