Come Out Into The Open

One two three!

The old brown rat that smiles all the while
Produced a cake with a file from his hat
"Don't leave me here," said the watersnake
And began to shake with fear
"I know him of old!" cried the unicorn
With his shiny horn of gold
"I'll shoot you down, come out into the open,"
Said the sad-faced clown

They heard not a word
And they sat around drinkin' all day
And the word was absurd
Because they'd taken all the mirrors away

"Don't make a fuss, there's no time to think,"
In a cloud of ink said the octopus
"Who needs proof?" said the transplanted pig
Adjusting his wig with his hoof
"It's a lovely day," said the doormouse
As his little house blew awaaaay
"I'll shoot you down! Come out into the open,"
Said the sad-faced clown

Whoa!

Woo hoo!

But they heard not a word
And they sat around drinkin' all day
But the word was absurd
Because they'd taken all the mirrors away

Let it all shine on, let it twist and spin
I hope you win, dear John
"It's no crime," said the master spy
with a narrow eye, "Just a waste of time."
"Don't be juvenile, it's contempt of court,"

Said the judge with a snort at the trial
"I'll shoot you down! Come out into the open,"
Said the sad-faced clown

Woo woo hoo!

I'll shoot you down!

Come out into the open, let me see your face!

Alright!

Alright!

Alright!

Alright!

Come out into the open, let me see your face!
