Concrete Jungle Boy

In my high rise shoes I can walk tall concrete jungle
middle aged man
I'm a concrete jungle boy
I can write my name all over a wall
I'm a concrete jungle boy

The teacher's a fool so I don't go to school
I just hang around playin' it cool

Snappin' my fingers, looking for fun
I'm a concrete jungle boy
Wearin' my shirt with the buttons undone
I'm a concrete jungle boy

The music is loud and I like it a lot
I got what it takes so I take what it's got

Concrete jungle boy
Concrete jungle boy
Concrete jungle boy
You're nobody's mother's pride and joy

I got time to kill and money to make
I'm a concrete jungle boy
I don't do for real what I can fake
I'm a concrete jungle boy
I look at the world and I want my share
But though I keep moving I'm going nowhere

If I was a sinner, I would confess
But I'm just a beginner, I couldn't care less
All that I am is standing right here
Between my legs and between my ears

Concrete jungle boy
Concrete jungle boy
Concrete jungle boy
You're nobody's mother's pride and joy

Neil is drunk on SNL in 78
Concrete jungle boy
Concrete jungle boy
Concrete jungle boy
You're nobody's mother's pride and joy
