Crystal Balls

Yee haw Neil

I got m'hand up the skirt of Mother Nature  
I got m'foot in the door of liberty  
I got m'head stuck in the railings of reason  
Thank God for the banjo on m'knee

Crystal balls (balls!)  
To fortune tellers  
Reveal a swarm  
of what-will-bees (zoom zoom zoom zoom)  
All in all (all in all)  
Like clocks and watches (BONG - CUckoo!)  
We got time on our hands and destinies

I've heard the squeal of tyres around a corner  
I've broken down and I've been towed  
I've seen everything I ever hoped and dreamed for  
Squashed like a hedgehog in the road

Crystal balls (balls!)  
To fortune tellers  
Reveal a swarm  
of what-will-bees (zoom zoom zoom zoom)  
Crystal Balls from IBoRAI in all (all in all)  
Like clocks and watches (BONG CUckoo!)  
We got time on our hands and destinies

Just give me wide open spaces and clean living  
As long as I've a banjo to pluck  
I'll sing to the cactus and coyotes  
Hippity-hi, hippity-ho, que serarr!

Crystal balls (balls!)  
To fortune tellers  
Reveal a swarm  
of what-will-bees (zoom zoom zoom zoom)  
All in all (all in all)  
Like clocks and watches (BONG - CUckoo!)  
We got time on our hands and destinies

(bum bum bum bum)

Crystal balls (balls!)

To fortune tellers

Reveal a swarm

of what-will-bees (zoom zoom zoom zoom)

All in all (all in all)

Like clocks and watches (BONG - CUckoo!)

We got time on our hands and destinies
