"Dream On"

It's so hard to follow a dream
Dreams are following me
Hard on my heels they come
Geronimo
Captain Hook
The almanacs
The history books
Encyclopaedias
Beginnings and ends
So many stories
Have been put to the pen
To explain
or defend
the right to be understood
in the name of brotherhood
I don't know why I cry
Or laugh
Or fall in love
Or try to reach
The stars above
There's no conclusion
Dreams are for fools
My little dreamer
My little fool
little fool.... dream on...
dream on

dream on

dream on

dream on...
