Fresh Wound

It'll only take a minute of your time
To tell you I love you
Oh, you shouldn't be such a tease
Oh, oh woah
Oh, oh woah

Every time I look into your eyes
I know that I love you
Oh I'm beggin' on bended knees
Ooh, oh woah
Ooh, oh woah

Girl, when I see you tonight
Oh, I'm gonna make you mine
Girl, when I see you tonight
Everything'll be fi- HINE!!

C'mon George, snap out of it

Yes, if you'll just give me a minute of your time,
I will explain!

Truth is just a word and words are just
Words are words but truth is what we trust
How can we know if words fill our brains?
How can we show if blood fills our veins?
Truth in words is like our blood congealed
Words like turds escape but truth is sealed
Analysis
Transplant has gone wrong
Paralysis
Now you don't belong

I'm like a fresh wound over you
Over you

So meet me on the corner of your life
Meet me on the corner of your life ah!
Meet me on the corner of your life!

Baby baby baby baby oh baby!
rabbits on Neil Baaaaybeee, baby, baby oh baby!
Rabbit, rabbit, rabbit, oh, rabbit on me now!
All over me!
All over me now!
Take it home!
Take it all! I want it all!
Oh, right in the kidneys, baby!

C'mon, I know you can bring it on home
