Give It Up

I hated my first cigarette
I ask you how dumb can you get
I thought I was so nonchalant
But now it's the last thing I want

I'm chewing my nails
I'm having all kinds of withdrawal symptoms
If only I'd never begun
Why wasn't I told when I was young

Give it up, Give it up
Give it up, Give it up
Give it up, Give it up
Easier said than done
Give it up, Give it up
Kickin' a habit ain't fun

I thought I was smart
I thought I was king of the castle, crazy!
If only I'd never begun
Why wasn't I told when I was young

Give it up, Give it up
Give it up, Give it up
Give it up, Give it up
Give it up, Give it up

Got to give it up
Set my body free
Got to give it up
Because this stuff is killing me
Killing me

I'm finding it hard
This habit I'm kicking is struggling back
The stupidest thing I've ever done
Why wasn't I told when I was young

Give it up, Give it up

Give it up, Give it up
Give it up, Give it up
Easier said than done
Give it up, Give it up
Kickin' a habit ain't fun

Give it up, Give it up
Give it up, Give it up
Give it up, Give it up
Easier said than done
Give it up, Give it up
Kickin' a habit ain't fun

I hated my first cigarette
I ask you how dumb can you get
I thought I was so nonchalant
But now it's the last thing I want
