Hour after hour in an ivory tower  
A thousand and nothings to do  
Spending the day in a colorful way  
Blue upon blue upon blue

Psychedelicatessen  
Fricasse chorus girl's thigh  
Toffee and mackerel gateau  
Pineapple pie in the sky

See how the good times roll  
See how the good times roll  
See how the good times roll  
Away

See how the good times roll  
See how the good times roll  
See how the good times roll  
Away

Like ice in a drink, invisible ink  
Or dreams in the cold light of day  
The children of rock n' roll never grow old  
They just fade away

Drifting along on a cottonwool cloud  
Dreaming of drum majorettes  
Swastika nightingales croon tongue-in-cheek  
An elephant never forgets

See how the good times roll  
See how the good times roll  
See how the good times roll  
Away

See how the good times roll  
See how the good times roll  
See how the good times roll  
Away

See how the good times roll

See how the good times roll  
See how the good times roll  
Away

See how the good times roll  
See how the good times roll  
See how the good times roll  
Away

See how the good times roll  
See how the good times roll  
See how the good times roll  
Away
