Happy Ending

Once upon a good time
there lived a love so true
In the kingdom of happiness
in a castle made for two
Where dreams come true
dreams come true
And I know they do
Every time I look at you

Love is a happy ending
Love is a happy ending
From now on and ever after
I'm gonna share my love and laughter with you

Some say this is a wicked world
Loneliness is everywhere
Until love comes along on a noble steed
And slays the dragon of despair

Yeah, dreams come true
Dreams come true
And I know they do
Every time I look at you

Love is a happy ending
Love is a happy ending
From now on and ever after
I'm gonna share my love and laughter with you

Love is a happy ending
Love is a happy ending
Love is a happy ending
Love is a happy ending
Love is a happy ending
Love's happy ending
Love's happy ending
Love's happy ending
Love's happy ending
