Here We Go Again

We've been through this movie before  
I know it inside out  
From the closeups at the start  
To the final helicopter shot  
'copter shot  
'copter shot  
'copter shot

Aah-yah  
here we go again my love  
aah-yaah,  
here we go again my love

We used to queue up in the rain  
We didn't feel the cold  
Then in the back row of the stalls  
We played the couple on the screen  
on the screen  
on the screen  
on the screen

Aah-yah  
here we go again my love  
aah-yaah,  
here we go again my love

You look at me with starry eyes  
I hold you in my arms  
It's oh so good to be with you  
Who wants to make it big in Hollywood  
Hollywood  
Hollywood  
Hollywood

Aah-yah  
here we go again my love  
aah-yaah,  
here we go again my love

Aah-yah  
here we go again my love  
aah-yaah,  
here we go again my love

Aah-yah  
here we go again my love  
aah-yaah,  
here we go again my love
