Hero Of The Motorway

Radio gale warning  
Biscay Finisterre  
Rock on Mallin Hebrides  
Just see if I care  
Drivin' all night  
With my headlights on  
Just thinking of you  
And your feminine form  
So soft and warm

Look at all the tail lights  
No wonder I see red  
Check my rear view mirror  
And watch the road ahead

Drivin' all night  
With my headlights on  
Just thinking of you  
And your feminine form  
So soft and warm

I am a hero of the motorway  
Flashing my lights, trying to get by  
Another hero of the motorway  
Heading for the fast lane in the sky

Think I'm goin' crazy  
I know I'm miles away  
Such a crazy mixed up world, little darling  
At the end of the day

Drivin' all night  
With my headlights on  
Just thinking of you  
And your feminine form  
So soft and warm  
Just thinking of you  
And your feminine form  
So soft and warm

I am a hero of the motorway  
Flashing my lights, trying to get by  
Another hero of the motorway  
Heading for the fast lane in the sky
