Home sweet hole in the ground
Home sweet hole in the ground
Home sweet hole in the ground
Six foot under, safe and sound
Home sweet hole in the ground

Ain't got no doorbell you can ring
Ain't got no doorbell you can ring
If you go and trip that button
You'll surely wind up dead as mutton
Ain't got no doorbell you can ring

In my home sweet hole in the ground
Home sweet hole in the ground
Home sweet hole in the ground
Six foot under, safe and sound
Home sweet hole in the ground

Ain't got no mod con luxuries
Ain't got not mod con luxuries
But I got my own sweet bucketful
Of catatonic chemicals

In my home sweet hole in the ground
In my home sweet hole in the ground
Home sweet hole in the ground
Six foot under, safe and sound
Home sweet hole in the ground
Got my transistor radio
Got my transistor radio
I got it plugged into my ear
In case they ever sound "all clear"
Got my transistor radio

In my home sweet hole in the ground
Home sweet hole in the ground
Home sweet hole in the ground
Six foot under, safe and sound
Home sweet hole in the ground
God bless my home sweet hole in the ground!
