How Could You?
(Stoop Solo)

I see you in my dreams,
how could you?
Go to such extremes,
How could you?
I whispered in your ear,
How could you?
And in the garden shed a tear,
You took all my love
I'm like a hand without a glove.
You promised to be true,
I'm like a foot without a shoe.
HOW COULD YOU BE
SO CRUEL TO ME?
I NEVER KNEW
WHAT YOU COULD DO
I hear those words again
How could you?
I'm an ink without a pen,
How could you?
I thought I knew you well,
How could you?
I'm a bike without a bell.
I can't mend this broken heart,
I'm a jam without a tart.
Yes, you took all of me,
I'm a pod without a pea.
I'm a fish without a fin,
I'm a pink without a gin,
I'm a prick without a pin,
HOW COULD YOU?
