I Must Be In Love

hahaha look at his face

I feel good
I feel bad
I feel happy
I feel sad
Do you think I'm in love? (aahaah)
I must be in love

I feel rich (oooo, la la la)
I feel poor (oooo, la la la)
I'm in doubt (oooo, la la la)
I feel sure (oooo, la la la)
Am I in love? (aahaah)
I must be in love

Any time of the day I can see
(I can see her face)
Her face, when I close my eyes
Oooooooo!

She's a dream (she's a dream)
She is real (she is real)
Can't explain (can't explain)
How I feel (how I feel)
Am I in love? (aahaah)
I must be in love

Any time of the day I can see
(I can see her face)
Her face, when I close my eyes
Oooooooo!

Am I dead (oooo, la la la)
Or alive? (oooo, la la la)
Can my poor heart (oooo, la la la)
Survive? (oooo, la la la)
Am I in love? (aahaah) I must be in love

I feel good (I feel good)
I feel bad (I feel bad)
I feel happy (I feel happy)
I feel sad (I feel sad)
Am I in love? (aahaah)
I must be in love
I must be in love
I must be in love
I must be in love
