I'm The Urban Spaceman

I'm the urban spaceman baby, I've got speed slap that  
ass

I've got everything I need  
I'm the urban spaceman baby, I can fly  
I'm a supersonic guy

I don't need pleasure  
I don't feel pain  
If you were to knock me down  
I'd just get up again  
I'm the urban spaceman babe and  
I'm making out  
I'm all about

I wake up every morning  
with a smile upon my face  
My natural exuberance  
spills out all over the place  
I'm the urban spaceman  
I'm intelligent and clean  
Know what I mean?

I'm the urban spaceman, as a lover second to none  
It's a lot of fun

I never let my friends down  
I've never made a boob  
I'm a glossy magazine  
an advert in the tube  
I'm the urban spaceman babe, but here comes the twist  
I don't exist
