OPENING

Jane, you're adorable Jane
So see-moreable Jane, oh Jane
Jane you're so glamorous Jane
You make us amorous Jane
Wonderful Jane!

You're more than just a figure
In a daily comic strip
It's thanks to you the Colonel
keeps his stiff upper lip
Jane you're unstoppable Jane...

CLOSING

Jane, you're so beautiful Jane
Ever dutiful Jane, oh Jane
Jane you're unbeatable Jane
Undefeatable Jane
Oh Jane
It's thanks to your adventures
with your little doggy Fritz
That we can tell old Jerry
what to do with his blitz
Jane we'd do anything Jane
For such a bright young thing, Jane
Wonderful Jane
Jane, adorable Jane
Jane, the Force's favorite Jane!
