Keep On Rockin'

Boogie Woogie Mama dancin' to the beat
Shakin' everything and lookin' so sweet
I loosen up my collar I'm comin' to the boil
You can call me Popeye, but she's no Olive Oil
But all she said to me
Was "If you like what you see..."

You gotta keep on rockin'
Keep on rockin'
Keep on rockin'
All night long.

Keep on rockin'
Keep on rockin'
Keep on rockin'
All night long."

Workin' up a fever, I got the butterflies
"Take it easy, honey, don't you know about guys?
My hearts a-beatin', beatin' like a drum
you're chewin' me up like a stick a gum"
But all she said to me
was, "If you like what you see..."

You gotta keep on rockin'
Keep on rockin'
Keep on rockin'
All night long.

You gotta keep on rockin'
Keep on rockin'
Keep on rockin'
All night long!"

Jumpin' and a jivin', boppin to the riff
Said, "Come on babe, I'm gettin' kinda stiff
A wind in my head and a buzzin' in my ear
One last dance and let's get outta here!"
But all she said to me

Was, "If you like what you see...

You gotta keep on rockin'
Keep on rockin'
Keep on rockin'
All night long.

Keep on rockin'
Keep on rockin'
Keep on rockin'
All night long.

Ya gotta keep on rockin'
Keep on rockin'
Keep on rockin'
All night long.

Keep on rockin'
Keep on rockin'
Keep on rockin'
All night long."

(Keep on rockin'
Keep on rockin'
Keep on rockin' all night long)

(Keep on rockin'
Keep on rockin'
Keep on rockin' all night long)

(Keep on rockin'
Keep on rockin'
Keep on rockin' all night...)
