Momma Bee

We expect no rain said the weatherman but it did
I hope it don't fall on me I said but it did
Now the sky looked blue and there's hardly a cloud in
the sky
And here I stand with a rainbow in each eye

Momma Bee a friend to me, Momma Bee a friend to
me
Momma Bee a friend to me, Momma Bee a friend to
me
I been so alone, livin' on my own, like statue made of
stone
Oh Momma Bee a friend to me, Momma Bee a friend to
me
Momma Bee a friend to me, Momma Bee a friend to
me
I was born to treat you right, so come on babe, hold me
tight
We can boogie all through the night
Momma Bee a friend to me

Let's Boogie

Alright now,
I think love is a good idea
It hangs in my head like a chandelier
It fills my heart like a waterfall
It's good for the body and its good for the soul!

Momma Bee (Momma Bee) a friend to me
Momma Bee (Momma Bee) a friend to me
Momma Bee (Momma Bee) a friend to me
Momma Bee (Momma Bee) a friend to me
I don't wanna go on the loose, for you I'd stick my head
in a noose
And I won't even say boo to a goose
Momma Bee a friend to me yeah

(Momma Bee)

Oh, Momma Bee (Momma Bee) a friend to me
Momma Bee (Momma Bee) a friend to me
Momma Bee (Momma Bee) a friend to me
Momma Bee (Momma Bee) a friend to me
I was born to treat you right
Some, come on, babe, hold me tight
We're gonna boogie all through the night!
Momma Bee (Momma Bee) a friend to me
Let's boogie some more (oooh)
Easy now, Momma (oooh)
(Aaah, oooh)
(Aaah ah ah) Oooh, that's nice
(Aaah ah ah)
(Aaah ah ah Momma Bee)

Oh, Momma (Momma Bee)
Oh, Momma (Momma Bee)
Oh, Momma (Momma Bee)
Oh, Momma (Momma Bee)
Whooaah!

(Aaah ah ah)
(Aaah ah ah)
(Aaah ah ah)
Ooooooooooh!
