"Not Amused"

Visit "[Not Amused](#)" on MotoLyrics.com

We are not notorious
We are not unknown
Like birds of a feather
We are not alone
Not alone, not alone
We are not alone

We are not encouraged
We are not deterred
Like the voice of Maggie Thatcher
We are not unheard
Not unheard
Not unheard
We are not unheard

We are not notwithstanding
We are not confused
Like good old Queen Victoria
We are not amused
Not amused, not amused
We are not amused
Not amused, not amused
We are not amused
