Not Gettin' Any Younger

Time on my hands
Troubles on my mind
Feelin' low and one degree under
Not gettin' any younger

Living day to day
Guess I'm doin' fine
But I'm feelin' low and one degree under
Not gettin' any younger

Prices always goin' up
Buildings comin' down
Lots of decent crazy people
Live in my home town

Heavy in my heart
Got to draw the line
'Cause I'm feeling low and one degree under
Not gettin' any younger
