Number One

Number One! Number One, Number One  
(Number One, Number One!)  
You're my Number One  
(You're my Number One!)  
You're my second-to-none  
(You're my second-to-none!)  
Number One, Number One  
(Number One, Number One, oooo!)

One and one make two  
And I look after you  
Number One, Number One  
(Number One, Number One!)  
You're my Number One  
(You're my Number One, oooo!)

When I fell for you  
I didn't need a shove  
Now that we are two  
It all adds up to love, to love!

Number One, Number One  
(Number One, Number One!)  
You're my Number One  
(You're my Number One!)  
You're my second-to-none  
(You're my second-to-none!)  
Number One, Number One  
(Number One, Number One, oooo!)

One and one make two  
And I look after you  
Number One, Number One  
(Number One, Number One!)  
You're my Number One  
(You're my Number One, oooo!)

My teacher couldn't teach me  
I had no time for school

No one there could reach me  
But baby, I'm no fool, no fool!

Number One, Number One  
(Number One, Number One!)  
You're my Number One  
(You're my Number One!)  
You're my second-to-none  
(You're my second-to-none!)  
Number One, Number One  
(Number One, Number One, oooo!)

One and one make two  
And I look after you  
Number One, Number One  
(Number One, Number One!)  
You're my Number One  
(You're my Number One, oooh!)

Aaaaaah  
Aaaaaah  
Aaaaaah  
Aaaaaah  
Number One!
