OO-Chuck-A-Mao-Mao

Evertime I turn the radio on
I get OO-Chuck-A-Mao-Mao, OO-Chuck-A-Mao-Mao
All night long
Everybody singin' the same kind of song
And it goes OO-Chuck-A-Mao-Mao, OO-Chuck-A-Mao-Mao
All night long
Everybody groovin' the same kind of beat
And it goes OO-Chuck-A-Mao-Mao, OO-Chuck-A-Mao-Mao
Tap your feet
Everybody feelin' coool out in the street
Goin' OO-Chuck-A-Mao-Mao, OO-Chuck-A-Mao-Mao
Tap your feet

"Weep weepy oooooo!"
Goes the guitar man
"Boom ba aboom boom ba
A do gong do gong do gong do gong da boodla
boodla boodla!"
Goes the drummer man
"Boom boom boom boom,"
Goes the man on the bass
And we go "OO-Chuck-A-Mao-Mao-Mao-Mao-Mao!"
All over the place

OO-Chuck-A-Mao-Mao, OO-Chuck-A-Mao-Mao
Drivin' your car
OO-Chuck-a-Mao-Mao, OO-Chuck-a-Mao-How
Happy you are
OO-Chuck-A-Mao-Mao, OO-Chuck-A-Mao-Mao
Ram a lam bam
Transistors and brothers
Kick out the jam!

Whooo! Hooey! Wheee! Hey! Oooh! Hey!

Think about the kind of song you rinse and return
And you've got OO-Chuck-A-Mao-Mao, OO-Chuck-A-

Mao-Mao
Easy to learn
Think about a candle with both ends to burn
And it's OO-Chuck-A-Mao-Mao, OO-Chuck-A-Mao-Mao
Easy to learn
What about a needle without any thread?
That ole' OO-Chuck-A-Mao-Mao, OO-Chuck-A-Mao-Mao
Sticks in your... head
Even the bweerngg! that goes under the bed
Is full of OO-Chuck-A-Mao-Mao, OO-Chuck-A-Mao-Mao
What I just said

Rock me crazy, split my head
Wake me up in the mornin', and put me to bed
Say what you say for the rest of the day
But it all sound like OO-Chuck-A-Mao-Mao
Anyway

OO-Chuck-A-Mao-Mao, OO-Chuck-A-Mao-Mao
Drivin' your car
OO-Chuck-A-Mao-Mao, OO-Chuck-A-Mao-Mao
So good so far
OO-Chuck-A-Mao-Mao, OO-Chuck-A-Mao-Mao
Strawberry jam
Transistors and brothers
Kick out the jams!
OO-Chuck-A-Mao-Mao, OO-Chuck-A-Mao-Mao
We live so fine
OO-Chuck-A-Mao-Mao, OO-Chuck-A-Mao-Mao
So down the line
OO-Chuck-A-Mao-Mao, OO-Chuck-A-Mao-I
Can't understand it
It's like makin' love to a one-armed bandit

Come on, babe, I love ya!
Whoo!
Let's give us one more try
Come on, come on, come on, come on

Don't you wink your nobbies at me!
