Raggy Dolls Rap

One, two, three, four, five, six, seven
Seven Raggy Dolls dancing to the beat
Seven, six, five, four, three, two, one

Princess likes to do her thing
While Dotty does the Highland Fling
Sad Sack likes to dance real slow
But Hi-Fi likes to go, man, go!

Lucy likes to hang real loose
But BacktoFront is just no use
But as for Claude
He does the Tango

Okay, let's go meet the Raggy Dolls...
Here's Sad Sack. How you doin', man?

"I don't know, I just do the best I can
One, two, three, um, four"

Seems like Hi-Fi's in the groove
Hey, Hi-Fi, you can really move!

"It's n-n-nothing, it's just my n-n-natural sense of r-r-
rhythm"

Hey Lucy! Is this your leg?

"Oh, yes, so it is, I wondered why I was hopping"

Boy, oh, boy, Lucy, when you stay loose, you stay
loose!

Uh, oh, looks like Dotty's teaching BacktoFront a few
steps...

"Now, come on, BacktoFront, I've shown you what to do, now try it!"

"Okay, okay, no problem, here we go...
Quick, quick, slow, slow quick..."

"No, no, no, you're doing it all wrong, stop, honestly!
Now, try again."

"Okay, no problem..."

Well, now, what have we here? Claude has stopped
doing the Tango, and is
walking over towards Princess.

"'ello, Princess. You know, you look so charming, the
way you dance."

"Oh, I say, do you think so? You know, I really don't
come here h'all that
h'often."

"Come, Princess! Let me teach you... the Tango!"
