Rock Of Ages

ooooo ooooo

Rock of ages roll me over at this point in time  
All the troubles in the world are  
runnin' through my mind

Ball of fire, wind and water bring me back to earth  
Birds and bees and dog-eat-dog and "get your  
money's worth"

I'm still waiting  
I'm still hoping  
I'm still praying  
For your love

Come on  
Come on  
Come on come on

Come on  
Come on  
Come on come on

Little spaceship ever spinning  
at this point in time  
With your cargo everlasting  
at this point in time

I'm still waiting  
I'm still hoping  
I'm still praying  
For your love

Come on  
Come on  
Come on come on

Come on  
Come on  
Come on come on

Come on  
Come on  
Come on come on

Come on  
Come on  
Come on come on

Truly darling I can feel it  
at this point in time  
Only your love can reveal it  
at this point in time

Rock of ages roll me over  
at this point in time  
All the troubles in the world are  
runnin' through my mind

Little spaceship ever spinning at this point in time  
With your cargo everlasting  
at this point in time  
Rock of ages roll me over  
At this point in time...
