Three at a time, three at a time
Troubles, they say
Come three at a time

Everyone knows
'bout the highs and the lows
So, look on the bright side
As the saying goes
It's not the end, my friend
When all is said and done

Two at a time
Two at a time
It happens to people
Two at a time

Everyone cries, oooooooo
When a love dies
Don't be disillusioned
Open up your eyes
Take it from me
You're not the only one
When all is said and done

Well, is it any wonder
You feel the way you do?
It's easy to go under
When you're feeling bluuuuuuuuuuuuuuue

One at a time
One at a time
Pick up the pieces
One at a time

That's the way now

Everyone knows
That's how it goes
Come rain or come sunshine
Any way the wind blows
It's not the end

It's only just begun
When all is said and done
When all is said and done
When all is said and
Done.
