Spontaneous

The champagne was Canadian
The hostess sang a song
I contemplated suicide
Then you came along!

You're so spontaneous
You hit the spot
Nothing but everything
Is all you've got
You're so spontaneous
You top the bill
Your elegant savoir-fair
Gives me a thrill!
Spontaneous live
You're so spontaneous
Please don't ever change
You're so "if I ruled the world"
And "home on the range"
You're so spontaneous
In each and every way
So spontaneous
What more can I say?

For this is the moment
The moment is now
The moment is you
So come on, take a bow!

You're so spontaneous
You knock me flat
You pull those little white rabbits out
Of my top hat
You're so spontaneous
Abracadabra
Spontaneous
Well that's what you are!

For this is the moment
The moment is now

The moment is you
Come on, take your bow!
You're so spontaneous
It's wunderbar
Spontaneous
Spontaneous
Spontaneous
That's what you are!
