Stadium Love

We are free because we're normal
We are free without a doubt
We are free to be informal
And tell the man to leave it out
Oi you!

We are free because we're normal
Free to fall in love and such
Any port in any storm'll
Do us nicely thank you very much

We are the chosen
We are the ones

All we need is some
Stadium love (clap your hands and sing along)
Stadium love (all together we are strong)
Stadium love (so many people can't be wrong)
Stadium love (furthermore for what its worth)
Stadium love (we can save the planet earth)
Stadium love (now you're in the zone)
Stadium love (wave your mobile phone)
Stadium love (you're no longer on your own)

They're changing guard at Buckingham Palace
Christopher Robin went down with Alice
Alice is marrying one of the guards
A soldier's life is terribly hard
(terribly hard)
(it's terribly hard)

God bless amnesia
Who needs memory
History has shown us
It's not much of a bonus

I've got a lovely bunch of coconuts
There they are standing in a row
Big ones, small ones, some as big as your head

Give them a twist a flick of the wrist
That's what the showman said
I've got a...
Hang on, hang on!
What have I got? Where?
Why have we stopped?
Because I can't remember the ending.
