Stealing Time

The sun is in the sky
Another day is born
The bird is on the wing
The snail is on the thorn
stealing time
stealing time
Stealing time
takes a lifetime

The sun is in the sky
So near and yet so far
Further down the road
The thief is in your car
stealing time
stealing time
Stealing time
takes a lifetime

Stealing time
Stealing time
Stealing time
takes a lifetime

The sun is in the sky
Another day is born
The bird is on the wing
The snail is on the thorn
stealing time
stealing time
Stealing time
takes a lifetime

Time enough for sorrow
Time enough for pleasure
Time enough to borrow
Time enough to treasure
Stealing time
Stealing time
Stealing time

takes a lifetime

Stealing time

Stealing time

Stealing time

Stealing time

takes a lifetime

takes a lifetime

takes a lifetime
