We don't know what's going on  
We don't know how it works  
It's all the same to you and me  
That's how the pickle squirts

'Cause we're all having the time of our lives  
the time of our lives  
the time of our lives  
Yes we're all having the time of our lives  
the time of our lives  
Tonight!

Oh you can sneak time  
and you can dream time  
But just like some drummers  
we've had the often damaging experience of working  
with  
You just can't keep time

Cause we're all having the time of our lives  
the time of our lives  
the time of our lives  
We're all having the time of our lives  
the time of our lives  
Tonight!
