Two armchairs and a sofa make our world complete
We just bought a brand new three piece suite
It matches the curtains and the walnut veneer
The hire purchase will finish in a year
Or two

Aaaahhhhhh ah-ah-ah ahhhh
Ah-ah-ah ahhhh ah-ahhhh
Ah ah ah ahhhh
Eating Chinese pizza and staring into space
We are so very lucky to have a nice place
Decent next-door neighbours
With similar values
Throwing weekend parties
With lots and lots of booze
