I was warping my way through the heavens  
From a party in Galaxy 3  
The drinks were of cosmic proportions  
And I needed a double, you see  
So I stopped off behind a convenient moon  
And for what it is worth  
The story I'll tell  
of what befell  
me, when I got near the Earth  
maybe this isn't considered horrible racist in England  
O tooral ay iddle ay cosmic  
Whoops! I've been spotted again!  
I'm some U.F.O.  
to someone below  
Who thinks I'm an Alien

I was closely observed by a plumber  
Out on an emergency call  
I raised the eyebrows of several high-brows  
Leaving the festival hall  
Hey, hey!

O tooral ay iddle ay cosmic  
Whoops! I've been spotted again!  
I'm some U.F.O.  
to someone below  
Who thinks I'm an Alien  
Neil as Dr. Who in blackface in IBoR  
So enough of this nebulous nonsense  
Cast he that is stoned without sin  
For Outer Space is a sober place  
To find yourself within

O tooral ay iddle ay cosmic  
Whoops! I've been spotted again!  
I'm some U.F.O.  
to someone below  
Who thinks I'm an Alien

All together!  
O tooral ay iddle ay cosmic

Hey hey!  
Whoops! I've been spotted again!  
I'm some U.F.O.  
to someone below  
Who thinks I'm an Alien

Come on, K-9...
