We've arrived and to prove it we're here  
We've arrived and its suddenly clear  
That we're here to stay for more than a day  
Maybe a week or a year  
We've arrived and to prove it we're here  
We've arrived and to prove it we're here  
We've arrived

From thirty thousand feet above the ocean  
Flyin' high in the sky  
To thirty thousand fans showin' their devotion  
Hear them scream and cry

We've arrived and to prove it we're here  
We've arrived and its suddenly clear  
That we're here to stay for more than a day  
Hey! Maybe a week or a year  
We've arrived and to prove it we're here  
We've arrived and to prove it we're here  
We've arrived

La la la la la  
La la la la la la la  
La la la ha ha

La la la la la la la
