I was thinking that maybe I'd get a maid  
Find a place nearby for her to stay  
Just someone to keep my house clean  
Fix my meals and go away

Afraid  
A man feels afraid  
Afraid

It's hard to make that change  
When life and love turn strange and cold

To live a love, you gotta give a love  
To give a love, you gotta be part of  
And when will I see you again?

A while ago somewhere I don't know when  
I was watching a movie with a friend  
I fell in love with the actress  
She was playing a part I could understand

A maid  
Man needs a maid  
A maid

I wanna live, I wanna give  
I've been a miner for a heart of gold  
It's these expressions I never give

That keeps me searching for a heart of gold  
And I'm getting old  
Keeps me searching for a heart of gold  
And I'm getting old

I've been to Hollywood, I've been to Redwoods  
I crossed the ocean for a heart of gold  
I've been in my mind, it's such a fine line

That keeps me searching for a heart of gold  
And I'm getting old  
Keeps me searching for a heart of gold  
And I'm getting old

I wanna live, I wanna give  
I've been a miner for a heart of gold

And when will I see you again?
