Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks

Where did all the money go?
Where did all the cash flow?
Where did all the money go?

Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks

It's all about my car
(Cough up the bucks, cough up the bucks)
It's all about my car
(Cough up the bucks, cough up the bucks)
And my girl, it's all about my world

Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks

Where did all the money go?
Where did all the cash flow?
Where did all the revenue escape?

Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks

It's all about my girl
(Cough up the bucks, cough up the bucks)
It's all about my girl
(Cough up the bucks, cough up the bucks)
And my dream, it's all about my world

Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks

Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks
Cough up the bucks, cough up the bucks
