Hello, cowgirl in the sand
Is this place at your command?
Can I stay here for a while?
Can I see your sweet, sweet smile?

Old enough now to change your name
When so many love you, is it the same?
It's the woman in you
That makes you want to play this game

Hello, ruby in the dust
Has your band begun to rust?
After all the sin we've had
I was hopin' that we'd turn back

Old enough now to change your name
When so many love you, is it the same?
It's the woman in you
That makes you want to play this game

Hello, woman of my dreams
This is not the way it seems
Purple words on a gray background
To be a woman and to be turned down

Old enough now to change your name
When so many love you, is it the same?
It's the woman in you
That makes you want to play this game
