TV Host: "Now we have five fellows who call themselves the Buffalo Springfield."

(Cheering)

"Please no overtime"

(Laughter)

"I'm not sure where they got their name, but I know that in the past year, they sold enough records and made enough money to buy Buffalo and half of Springfield"

(Laughter)

"Now right now they're going to sing and play one of their big hits, The Buffalo Springfield!"

(Cheering)

There's something happening here  
What it is ain't exactly clear  
There's a man with a gun over there  
Telling me I got to beware  
I think it's time we stop, children, what's that sound  
Everybody look what's going down

(Change to Mr. Soul)

Oh, hello Mr. Soul, I dropped by to pick up a reason  
For the thought that I caught that my head is the event  
of the season

Why in crowds just a trace of my face could seem so  
pleasin'  
I'll cop out to the change, but a stranger is putting the  
tease on.

I was down on a frown when the messenger brought  
me a letter  
I was raised by the praise of a fan who said I upset her  
Any girl in the world could have easily known me better  
She said, You're strange, but don't change, and I let  
her.

In a while will the smile on my face turn to plaster?  
Stick around while the clown who is sick does the trick  
of disaster

For the race of my head and my face is moving much  
faster  
Is it strange I should change? I don't know, why don't  
you ask her?
