Hold on to your love  
Hold on to your love  
Though you may feel  
tired and blue.  
The things you say,  
The things you dream  
you might do,  
Come true if you  
Hold on to your love.

How long the day?  
How dark the night  
spent apart?  
Is this the way to learn?  
Go your own way

Although you may  
break a heart  
Don't let it start  
Hold on to your love.

Hold on to your love.  
Hold on to your love.

The things you say,  
The things you dream  
you might do,  
If only you  
hold on to your love.  
Hold on to your love.
